Call to Action!

Board of Education Meeting
Tuesday, March 21, 2023, 6:00 pm
Board of Ed. Building, Newark, MD

Come stand up for Education, too many “crazies” are showing up and speaking. We don't know how many of those speaking actually live in Wor Co. and whether they have children in our schools! Also, new member Katie Addis is pushing her agenda stating that she speaks for all of District 6.

Wear Red – your Strong Schools t-shirt or other red shirt. Joan will have some extra Strong Schools shirts at the meeting.

Spread the word and encourage your neighbors and friends to attend. We really need folks with children in the public schools to come out!

Especially needed are district 6 residents. We hope a few will speak but many are needed to show support.

Katie Addis, the District 6 member, implies that she speaks for everyone in the district. For example, she has stated that schools should only teach core subjects and anything else like **health education and mental, behavioral, etc. services that support children and families do not belong in schools.** At the last meeting, she suggested that Worcester County Public Schools **not comply** if the Comprehensive Health Education Framework bill is passed!!

PLEASE COME TO THIS BOARD OF EDUCATION MEETING!

If you plan to attend and/or speak, email Joan Roache at beachyogi@me.com so we know who to expect. Note if you live in District 6.

We will encourage all District 6 residents to stand up in support of the speakers from District 6.

Join **Worcester County Public Schools** MDleaders as they present information to our community on the Blueprint for Maryland's Future at a virtual information session Thursday, March 9, 2023, at 5:30 p.m.

Registration is required. Register at <https://tinyurl.com/WCPSBlueprintInfoSession>.
